Hello Ms. Williams.

I have not received the report regarding Cosmo night club. Typically we have 10 days from the date that we cite to complete the report. I am way over due and have requested additional time that has also expired. If possible can you send me the report so that I may complete and turn in for filing. Thank you

Hi !!! Thank you for your message. I'm not sure yet if I am able to attend but I want to let you know that if not you can for sure use this email & my phone message to Vice to explain as a resident at the corner of Selma & Ivar - almost 2 blocks away where we have been hearing the sound problems for a long time.

Not just me. This building at 1602 Ivar has over 120 something residents and the sound swirls all around the area from Wilcox through Vine and can be heard into the wee hours when it has been impossible to get the problem fixed. Many of the residents have their whole apartments, bedrooms, living rooms, all along the Ivar side and the Selma side where it is impossible, even through closed double pained windows & doors, to shut out the sound.

Since Project LA has become such a great neighbor (let's hope it stays that way after so many years) it has become apparent that Cosmo Club has also been a tremendous problem.

YAY!!!! that it has finally become so bad that even the police and Vice are asking you to shut them down. You can not imagine between the beginning and now what all of us have had to put up with to get to this point.

No matter what the club promises they have proven they can not be trusted in any way. And they don't care because it takes a long time to get to this point & a hearing and even if they get citations & fines they don't care because time is on their side and with every day they make huge, huge, amounts of money. If they cared they would have used some of that in the 1st place to immediately totally soundproof the entire club (not now, do to this hearing just in case they try to say that).

We as residents have had to live with this for a long time. The only thing that will fix it is to take away their liquor license & close then down completely for good.....that they will pay attention to.

Thank you Officer Thompson for all you and Vice are doing.

When you have a chance can you please send me the CAD reports for the Cosmo Avenue/Hollywood Blvd intersection from 01/01/2014 to the present? We are preparing a case file for the "Cosmo" nightclub and have the CAD reports for Crimes, Arrests and Calls for Service for the physical address but don't have anything for the adjacent intersection. Please let me know if you can get the Calls for Service, Arrest Reports and Crime Reports for this intersection?

Hi officer thompson

I'm checking to see if you got the numbers I sent that showed my decline since they opened next door.

Secondly I have a question. If I were not to fly in for this- do you think they will still get revoked. Is it extremely important that I'm there. I ask cause hands are getting extremely. Busy and I leave for Africa at the end of May. I'm on overload. But if you think there's a chance they won't get revoked I'd like to know. So I guess I'm asking how major is my attendance at this hearing??!

Hi officer thompson

I'm checking to see if you got the numbers I sent that showed my decline since they opened next door.

Secondly I have a question. If I were not to fly in for this- do you think they will still get revoked. Is it extremely important that I'm there. I ask cause hands are getting extremely. Busy and I leave for Africa at the end of May. I'm on overload. But if you think there's a chance they won't get revoked I'd like to know. Hi Jeannie,

I believe sign-off would be needed from BOS and LAFD. Is that

Sir,

The following is a recap of tonight's results. There will be two officers on overtime due to the arrest of one of the owners at Joseph's for having an AK-47 in his office. Officers are currently working on completing only the property report and well as face sheet of the arrest in order to book the guns, narcotics and ammunition. We are currently working on possibly getting a morning watch to book this evidence for us. We will complete the arrest report tonight in order to minimize overtime.

Here are the violations.

- Ø Valet at Sunset and Wilcox: Shut down due to lack of permits.
- Ø Boulevard 3: Building and Safety identified code violations.
- Ø Davey Wayne's: Cited for CUP violations including noise violations. Four security guards were cited for no guard card.
- Ø Joseph's: The owner at Joseph's was arrested for 30605 PC, possession of an assault rifle. The second owner was cited for various CUP violations and 347(b) PC, contaminated bottles. Building and Safety identified minor violations. The club was then shut down and party goers were cleared due to the booking of the manager. ABC was present during this arrest and advised that they will initiate the revocation process on this location.
- Ø Project LA: Cited for CUP violations.
- Ø Cosmo: Complaint application was filed by West Valley Vice.
- Ø Scorpion: Cited for CUP violations.
- Ø Tekila: No violation.
- Ø Loaded: No violation.
- Ø Cabo Cantina: No violation.
- Ø Florentine Gardens: No violation.

*At approximately 2330 hours, Sergeant Moody, ABC, Building and safety along with PED personnel responded to enforce CUP violations at Joseph's (1775 Ivar Avenue) following an undercover investigation. During the inspection of the location, Officers discovered a Serbian made AK-47 in the upstairs office, two handguns, approximately 6 pounds gross weight of marijuana buds, hashish and mushrooms. The AK-47 falls under the 30605(a) PC, possession of an assault rifle. As a result, Robert Abrahamian was arrested for this violation with additional charges of 11359 H&S, possession of marijuana for sales. The Fire Department was also requested and a thorough inspection was conducted by ABC, FD, building and safety as well as Hollywood Vice.
